ITEM 1 ON THE AGENDA

(RESOLVE ON THE ACCOUNTS' REPORTING DOCUMENTS, NOTABLY THE MANAGEMENT REPORT, THE CORPORATE GOVERNANCE REPORT AND THE FINANCIAL STATEMENTS, AND OTHER CORPORATE, SUPERVISORY AND AUDIT INFORMATION DOCUMENTS REGARDING THE FINANCIAL YEAR OF 2014)

The following proposal was presented by the Board of Directors:

“The Board of Directors of Cimpor – Cimentos de Portugal, SGPS, S.A., hereby submits to the approval of the General Meeting, to be held on March 25, 2015, the accounts' reporting documents - notably the management report, the corporate governance report and the financial statements - and other corporate, supervisory and audit information documents regarding the financial year of 2014.

Lisbon, February 26, 2015

The Board of Directors
(Illegible signatures)”

ITEM 2 ON THE AGENDA
(RESOLVE ON THE PROPOSAL FOR THE ALLOCATION OF PROFITS)

The following proposal was presented by the Board of Directors:

“Whereas:

- a) As stated in the financial statements, despite the consolidated income of EUR 27,206,558.03 for the financial year ended on 31 December 2014, the net profit on an individual basis was positive EUR 868,646.56;
- b) In accordance with law and the Articles of Association of Cimpor, a percentage of no less than 5% of the profit for the period is to be used to increase the legal reserve until it reaches the amount required by law (at least 20% of the share capital). Since the Company currently already meets this threshold, strengthening the legal reserve is not necessary.

Pursuant to Article 22 of the Articles of Association of this company, the Board of Directors proposes to the Shareholders the following appropriation of the 2014 profit:

- Award of bonuses to employees on the payroll of Cimpor - Cimentos de Portugal, SGPS, S.A. at the end of December 2014, in the maximum amount of EUR 400,000.
- Transfer of the remaining net profit for the financial year to Retained Earnings.

An eventual payment of the net income on an individual basis (868,646.56 euros) to shareholders would not have a significant impact, evince, to some small shareholders, counterproductive in face of charges for the respective receipt. The Board of Directors proposes no dividend distribution for the year 2014. This proposal is subject to the shareholders that reach the percentage provided in Cimpor statutes, article 22, paragraph 1, point b)”

Lisbon, 26 February, 2015

The Board of Directors
(Illegible signatures)

ITEM 4 ON THE AGENDA
(RESOLVE ON THE DECLARATION ON THE REMUNERATION POLICY OF MEMBERS OF THE MANAGEMENT AND SUPERVISORY BODIES OF THE COMPANY)

The following proposal was presented by Remuneration Committee:

Remuneration Committee Statement
2015

Pursuant to Articles 2 and 3 of Law No. 28/2009 of 19 June, the Remuneration Committee presents the Statement on the Remuneration Policy of the members of the Management and Supervisory Bodies to be submitted to the General Meeting of Cimpor - Cimentos de Portugal, SGPS, S.A. (Cimpor).

This Statement takes into account, in addition to the above-indicated law, the Corporate Governance Recommendations of the Portuguese Securities Market Commission – CMVM (2013 version) and the applicable rules of the Portuguese Companies' Code, the Portuguese Securities' Code, CMVM Regulation No. 1/2010 and No. 4/2013 (in force since 1 January 2014, revoking CMVM Regulation No. 1/2010), and the Articles of Association of Cimpor.

1. The year 2014

REMUNERATION POLICY

2014 was a year of continuity and consolidation of the changes made in 2013 to the remuneration policy and the assessment model for Cimpor and its subsidiaries. These changes were made to ensure alignment with the practice followed in the InterCement Group, without jeopardizing the upkeep of the general guidelines of the remuneration policy of Cimpor in force in previous years. The Remuneration Committee developed its work under normal circumstances. It met three times during the 2014 financial year.

No variable remuneration was paid to the members of the Executive Committee in 2014, who, taking into account the changes in the composition of that Committee made in 2013, agreed not to receive any amount by way of variable remuneration from Cimpor. The variable remuneration assigned in 2011 was, nonetheless, paid in 2014 to the executive directors who were in office at the time when such payment was deferred for three years, in accordance with the remuneration policy of this company.

PAYMENTS RELATIVE TO THE DISMISSAL OR TERMINATION OF OFFICE OF DIRECTORS

No payments concerning the termination of office of directors were made during 2014, as no such payments were required.

2. Guidelines for 2015

The mandate of the Remuneration Committee in progress and the Cimpor remuneration policy detailed in chapter III of the Annual Report and Accounts of Cimpor have assimilated, to the extent applicable, the recommendations of the CMVM Corporate Governance Code (2013 version) and the provisions of CMVM Regulation No. 4/2013, since its entry into force on 1 January 2014.

Unless there is a significant change of circumstances in the course of the financial year, providing grounds for an extraordinary review, the potential maximum amount of fixed remuneration payable to members of the corporate bodies of Cimpor in 2015 will be the following:

Board of Directors	Annual Fixed Remuneration⁽¹⁾ (Euros)
Chairman of the Board of Directors	280,000
Chief Executive Officer	112,000
Members of the Executive Committee (2)	84,000
Chairman of the Audit Committee	112,000
Members of the Audit Committee (2)	98,000
Other members of the Board of Directors (4)	78,750
Total⁽¹⁾	1,183,000

⁽¹⁾ Estimated gross amounts in force from 1 January 2015, subject to taxes and contributions payable under law, considering 12 full members of the Board of Directors.

The fixed remuneration amounts listed above are subject to a maximum variation of up to 5% to cover any exchange losses resulting from payment in a currency other than the euro.

Maintaining the existing conditions of restricting the achievement of the performance and results goals based on predefined criteria, the members of the Executive Board of Cimpor can be awarded a variable remuneration, which shall only be payable if at least 80% of the goals are attained. The maximum potential variable remuneration will be equal to 50% of the fixed annual remuneration.

Moreover, the value of the remuneration (fixed and variable) of executive directors takes into account their status of non-permanent residents in Portugal (with remuneration paid by InterCement in Brazil, outside the consolidation perimeter of Cimpor).

The maximum potential fixed remuneration payable to Deloitte & Associados SROC, S.A., for performing the role of statutory auditor of the accounts of Cimpor, in 2015, is still not defined. Nonetheless, a substantial change from the base values paid for the statutory audit of the individual and consolidated accounts of Cimpor in 2014 is not expected. The amount paid in 2014 was, according to the Annual Report and Accounts of the company, EUR 432,869.

The Remuneration Committee, notwithstanding the above-stated, recommends that the remuneration policy in force remains unchanged for 2015.

ITEM 8 ON THE AGENDA
(RESOLVE ON THE ACQUISITION AND DISPOSAL OF OWN SHARES)

The following proposal was presented by the Board of Directors:

“Considering that:

- The legal rules and the provisions of the Articles of Association regarding the acquisition and disposal of own shares, notably the provisions of articles 317 to 320 of the Portuguese Companies Code and of article 5, no. 3 of the Articles of Association of CIMPOR – Cimentos de Portugal, SGPS, S.A. (“Company” or “Cimpor”);
- The Company’s convenience in being able to make use, under the general terms, the possibilities inherent to those types of transactions;
- That the same interest is also applicable to subsidiary companies, which may even be bound, notably under the terms of any of their own issuances of securities, to acquire or dispose of Company shares, which, without prejudice to the provisions of article 319, no. 3 of the Portuguese Companies Code, is also advisable to provide for.

The General Meeting held on March 25, 2015 resolves:

1. To authorize the acquisition of own shares by the Company, or by any current or future subsidiary companies, including rights of acquisition or allocation of shares, subject to the decision of the management body of the acquiring company, under the following terms:
 - a) **Maximum number of shares to be acquired:** up to the limit corresponding to ten percent of the share capital, with deduction of the disposals executed in each moment, without prejudice to article 317, no. 3 of the Portuguese Companies Code;
 - b) **Period during which the acquisition may be performed:** eighteen months following the date of the present resolution;
 - c) **Forms of acquisition:** acquisition of shares, or rights to acquire or to the allocation of shares, in exchange for payment, by any means, in the stock exchange; acquisition from an entity that purchased shares from the company itself or on the stock exchange, with whom the Company entered into an agreement for the subsequent acquisition, within an equity swap agreement or other similar instruments; over the counter acquisition, subject

to the principle of shareholder equality as provided for by law; or acquisition for, or as result of, compliance with an obligation arising from the law or contract, in particular the exchange of exchangeable securities issued by the Company or a subsidiary company, under the terms of the respective conditions of issuance or of the executed agreements in relation with such exchange;

- d) Minimum and maximum consideration for the acquisitions:** the acquisition price shall fall within a range of fifteen percent below and above the lowest and average quotation, respectively, of the shares traded on Euronext Lisbon during the five stock market sessions immediately prior to the acquisition or the creation of the right to acquire or of allocation of shares, without prejudice to the acquisition price resulting from the terms of the issuance, by the Company or subsidiary company, of securities exchangeable with Company shares, or resulting from agreements, particularly those entered into with regard to those exchanges or also, in the event of acquisition by the Company of shares or acquisition rights previously acquired by employees and the management team within the framework of share purchase plans initiated by the Company, corresponding to the price of acquisition by the employees and the management team, in accordance with the terms and conditions applicable to those plans, regardless of the limits specified in this sub-paragraph;
- e) Time of acquisition:** to be determined by the management body of the acquiring company, taking into account the conditions of the securities market and the convenience or obligations of the acquirer, of the Company or of one of its subsidiaries, being executed once or more times in the proportions stipulated by the abovementioned body.

2. Without prejudice to the resolutions passed regarding the items 6 and 7 on the Agenda¹¹, to authorize the disposal of own shares by the Company, or any current or future subsidiary companies, subject to the decision of the management body of the selling company, and under the following terms:
